

2024-2025

- Price Will be \$0.80 per label for retail prices submitted by 1/15/2025 and \$1.00 for those sent after 1/16/2025.
- **Alternative option for this season:** For \$0.20 per label; we will print the labels, roll them up and ship them with the plants (not attached individually). We save substantially in doing this and wish to pass that on to the customers who chooses this option.
